

## FIT5046 Assignment 1 (Android App Project Proposal) 20% - S1, 2024 Marking Guide and Rubric

This document provides both Rubric and Marking Guide for Assessment 1 of FIT5046.

### FIT5046 Assessment 1 - Rubric

Excellent (HD and HD+)	Very Good (D)	Good (C)	Satisfactory (P)	Needs improvement
<ul style="list-style-type: none"> <li>All the tasks are fully achieved <b>beyond expectation</b> and all the requirements are thoroughly followed</li> <li>All sections carefully followed the template, the architecture diagram and the prototype diagram with screenshots and arrows are provided brief descriptions</li> <li>All discussions are written very clearly, providing <b>thoughtful comments</b></li> <li>The proposal overall <b>exceeding the expectations</b>, showing <b>creativity and originality</b></li> </ul>	<ul style="list-style-type: none"> <li>All the tasks are achieved and all the requirements are followed</li> <li>All sections followed the template, the architecture diagram and the prototype diagram with screenshots and arrows are provided with a para describing them</li> <li>All discussions are written, providing comments</li> <li>The proposal <b>mostly meets the expectations</b></li> </ul>	<ul style="list-style-type: none"> <li>All the tasks are mostly achieved and all the requirements are <b>mostly followed</b></li> <li>All sections are included following the template, the architecture diagram and the prototype diagram with screenshots are provided, with <b>a few problems and issues</b></li> <li>All discussions and comments <b>mostly</b> clear</li> <li>The proposal <b>almost meets the expectations</b></li> </ul>	<ul style="list-style-type: none"> <li>There are a few tasks missing or <b>not fully achieved</b>, and a few requirements are not followed</li> <li>Most sections are included based on the template, the architecture diagram and UI screenshots are provided but they <b>miss some details or have issues</b></li> <li>Some discussions and comments <b>are not clear</b> and valid</li> <li>The proposal <b>hardly meets the expectations</b></li> </ul>	<ul style="list-style-type: none"> <li>SOME tasks are not achieved and <b>SOME requirements are not followed</b></li> <li>Some sections do not follow the template, the architecture diagram and UI screenshots <b>are not fully provided or have many issues</b></li> <li>Discussions are <b>unclear</b> and confusing and <b>some parts are incomplete or irrelevant</b></li> <li>Discussions and comments have <b>many issues</b> and incorrect information</li> <li>The proposal overall <b>does not meet the expectation</b></li> </ul>

## FIT5046 Assessment 1 - Marking Guide

Group:

Student names:

Task	Requirements	Marks	Task Marks
1	<b>Introduction</b>		/ 10
	<ul style="list-style-type: none"> <li>- Provide an Overview of the proposed app including the application domain, its use and purpose</li> <li>- Describe the user group, and the scope and limitations</li> </ul>	5 5	
2	<b>Proposed Functionalities and Features</b>		/10
	<ul style="list-style-type: none"> <li>- List the functionalities of the app and its main screens, and briefly describe the purpose of each</li> <li>- include a Table to show these functionalities and screens &amp; add any additional screens and functionalities</li> </ul>	5 5	
3	<b>The system architecture</b>		/10
	<ul style="list-style-type: none"> <li>- Provide a diagram for your proposed app (showing the server side and client-side components)</li> <li>- In a short paragraph, briefly describe these components and how they will work together</li> </ul>	5 5	
4	<b>The UI Design and Android Prototype (Compose)</b>		/40
	<ul style="list-style-type: none"> <li>- provide a diagram of your prototype that includes the screenshots of the screens created in Android using Composables and the navigation flow between them shown by using arrows. Provide a meaningful title for each screen.</li> </ul>	40	
5	<b>Advanced features</b>		/20
	<ul style="list-style-type: none"> <li>- Provide a description of TWO additional components that you will include in the app from the list provided</li> <li>- Provide resources (any SDK details, or online sources and tutorials) that you plan to use to learn and implement these features (code downloads or GitHub details, online sources and tutorials). These must be sufficient for implementation</li> </ul>	10 10	
6	<b>References</b>		/10
	<ul style="list-style-type: none"> <li>- Correct use of in-text citation for citing from the publications and website links you mentioned in the proposal</li> <li>- Providing a Reference List with at least 5 references using the APA style for your references including URLs</li> </ul>	5 5	
<b>Total Mark</b>		<b>/100</b>
